Over the last weekend, I have witnessed beautiful skies and two rainbows consecutively for two days. Usually I'm already home from outstation for summer during this time of the year and I look forward to it because of different painted skies in display every day. But what is different from other years is that; I'm seeing more rainbows this time around! It's like God reminding us to be hopeful of the promise...that God is with us through the storm, giving us courage and perseverance to overcome the difficulties we're facing today.

We know it from the Bible that rainbow signifies God's Covenant with the earth (Genesis 9:13). It shows God's Divine faithfulness and displays God's Power and Glory in all of its brilliance. It is a ray of HOPE in the midst of the dark clouds. So let's take heart and not lose HOPE.

"We are hard pressed on every side, but not crushed; perplexed, but not in despair;"

2 Corinthians 4:8 (NIV)

"Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us, an Eternal Glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal."

2 Corinthians 4:16-18 NIV

jackfruit is a metaphor for something new that you are learning about someone. You are preoccupied with something in your mind that is causing you much anxiety. Whatever you are feeling is still very fresh or raw. The dream symbolises ability to express your desires or ideas. You are showing restraint and control over your emotions.
